An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Bill Lacy on 3/18/05.

The application has been amended as follows:

In claim 1 line 4 delete "matrix".

In claim 1 line 7 delete "polyisoprene," .

Cancel claims 2,11,14 and 15.

The following is an examiner's statement of reasons for allowance:

J11244419 does suggest inclusion of polyisoprene (paragraph 18) and therefore this species is cancelled. The reference does not suggest the remaining blending partners for the rubber/ nano ZnO core.

Cancelled claims 2, 14 and 15 are directed to alternative species instead of ZnO and are therefore properly cancelled. Claim 11 was dependant on a cancelled claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Buttner whose telephone number is 571-272-1084. The examiner can normally be reached on 10:00-5:30.
